About the Course

This 16-week qualification provides a basic, introductory set of knowledge and skills relevant to health and care.

Learning outcome 1 Know the importance of equality and inclusion in health, social care, and children and young people's settings.

Learning outcome 2 Working in health, social care, and children and young people's settings.

You will learn a variety of transferable skills needed for working in a health and social care environment.

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

- You will need an initial assessment, where we will ask you to complete some tasks.
- We will also ask you some questions to be able to support you better with your studies.
- You need to have writing skills at English Entry Level 2 or above.

There are no specific recommended prior learning requirements for this qualification.

If you need any additional support, please call us: 02085836000.
