

Multiply – Henna for Beginners

About the Course

Build your confidence in making and applying Henna. You will learn how to make henna using a mix and how to apply it using simple henna patterns and shapes. The course will allow you to be more confident in applying henna on yourself as well as others. The course is ideal for complete beginners to henna.

Please note any allergies to henna need to be declared beforehand and a patch test would be carried out at the start of the course.

Course Learning Outcome

- Learn how to make henna using the correct ratios.
- Identify the different ways of applying Henna.
- Understand the different shapes and patterns used in a simple henna design.
- Create a henna design for yourself confidently.

What is needed for the course?

For health and safety reasons, you will be asked to bring the following:

- Wipes for your hands.
