

Multiply: Bake your own Festive Treats

About the Course

This course is part of our Multiply programme aimed at those who would like to improve their Maths skills in a fun and practical way. On this course you will get an opportunity to bake a range of festive treats using recipes. In addition, you will learn how to finish and present your baked products as a gift.

There are no specific entry requirements for this course, and it would be ideal for a complete beginner or someone who enjoys baking.

Course Learning Outcomes

- Bake a range of festive treats
- Package your bakes as gifts
- Understand ratios using recipes
- Learn how to weigh and measure ingredients to a recipe
- Develop awareness of health and safety within the kitchen

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.

What is needed for the course?

There are no specific recommendations of prior learning requirements for this Course.

If you need any additional support, please call us: 02085836000.
