

Multiply: Build your own Christmas House (Pottery)

courses@hounslow.gov.uk
www.hace.ac.uk

WHY is this course important?

This unique course allows you to learn maths using pottery in a fun and practical way. The course helps build your confidence in Pottery using different tools and techniques for measuring, cutting and shaping clay.

This course can be attended by complete beginners in pottery or more experienced potters. On this course you will explore the basics of working with clay to produce personalised Christmas Houses using traditional hand building tools and techniques.

WHAT are the course learning outcomes?

- Use measurements and shapes to cut and mould clay
- Design and make your own Christmas House with clay
- Demonstrate awareness of health and safety within the pottery studio

WHERE is the course being held? Meadowbank (Pottery Studio)

What do you need to bring for the course?

For health and safety reasons, you will be asked to bring your 3M Graded face mask. Please note you will **not** be allowed to complete any glazing if you do not have your own 3m graded face mask within the lesson or wear gloves provided

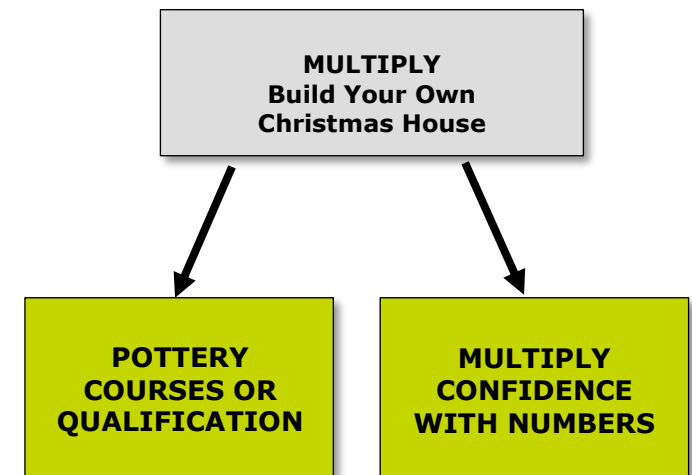

- 3M graded face mask for glazing (you can purchase this from any hardware store or DIY store)

Course Fee: FREE

Please note: To successfully complete the course you must commit to 100% attendance and punctuality in order to achieve a certificate.
