

## Multiply: Jewellery Making Parents & Children 5+

### About the Course

This course is part of our Multiply programme aimed at those who would like to improve their Maths skills in a fun and practical way. This session is an introduction to jewellery making with the aim of making a bracelet.

It is an opportunity for you to try new skills and see the potential in jewellery making. There are no specific entry requirements for this course, and it would be ideal for a complete beginner or someone who enjoys making things with their children.

### Course Learning Outcomes

- To identify patterns and shapes used in jewellery making
- To try out basic tools used in jewellery making
- To create a completed piece of jewellery such as a bracelet

***Please note: To successfully complete this course you must commit to 100% attendance and punctuality.***

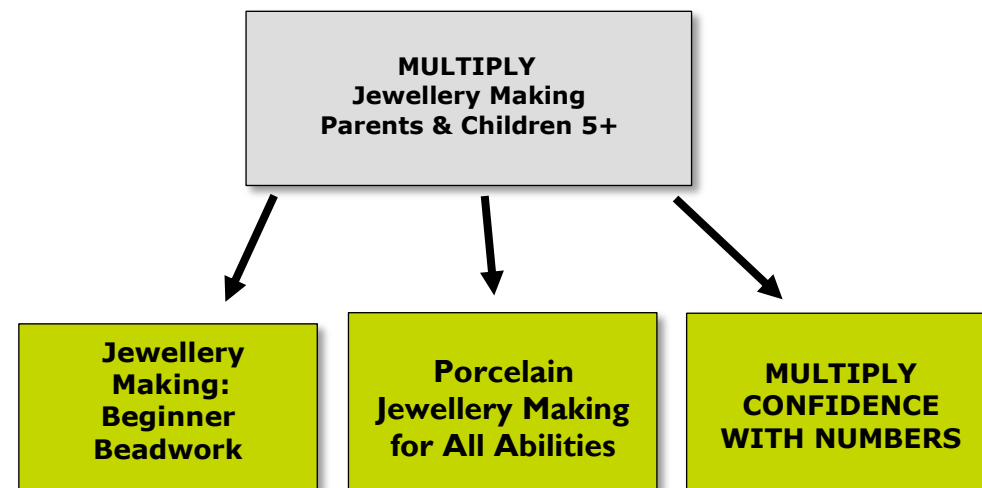

### What is needed for the course?

Essential materials are included.

***If you need any additional support, please call us: 02085836000.***
