

Oil Painting for Improvers

About the Course

This course is part of our creative art specialist programme designed to enable learners to develop their practice in visual arts. The course builds on the skills developed on the Beginners course, however it is also open to learners who have some prior oil painting experience. On the course you will enhance your oil painting skills, refine techniques, and develop a deeper understanding of the medium. The course focuses on advancing students' abilities through practical exercises, guided projects, and critical exploration of colour, composition, and texture.

Course Learning Outcomes

- Build confidence in creating more complex and dynamic compositions.
- Create a portfolio of paintings applying learnt oil painting techniques

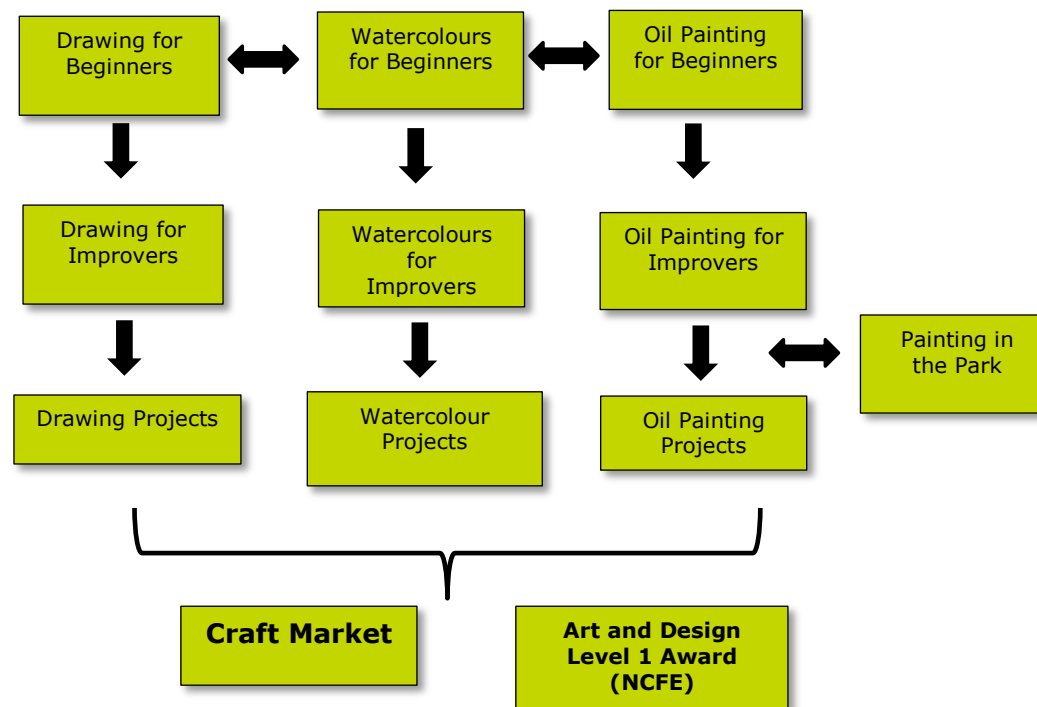

Please note: To successfully complete this course you must commit to 100% attendance and punctuality.
