

## Multiply: Bake your own Festive Treats Parents & Children 5+

### Multiply

#### About the Course

This course is part of our Multiply programme aimed at those who would like to improve their Maths skills in a fun and practical way with their children. On this course you will get an opportunity to bake a festive treat and learn how to finish and present your baked products as a gift.

There are no specific entry requirements for this course, and it would be ideal for a complete beginner or someone who enjoys baking.

#### Course Learning Outcomes

- Bake a festive treat
- Package your bake as a gift
- Understand ratios using a recipe
- Learn how to weigh and measure ingredients for a recipe
- Develop awareness of health and safety within the kitchen

***Please note: To successfully complete this course you must commit to 100% attendance and punctuality.***

#### What is needed for the course?

There are no specific recommendations of prior learning requirements for this Course.

***If you need any additional support, please call us: 02085836000.***
